

Dear Parents,

It is with great pleasure that Montessori Tides School announces its Summer Programs Schedule for the upcoming summer. In the past, we have offered our PlayArts program to the 3-6 year old Primary classes. This year we will be offering a Toddler Program as well. These programs will be run in monthly sessions. The first session will be June 1 through June 30 and the second session will be July 1 through July 30. We will be offering flexible payment options for these programs. We can make arrangements for everything from a full payment to 5 monthly payments from March through July. Our goal is to give our parents the options they have requested for summer programs. If you have any questions please feel free to call the office.

The Toddler Program will be the regular Toddler Program we are currently running. The program will be staffed by our current Toddler teachers. This program is something our parents have asked for many times and we are very pleased to finally be able to offer it to our families. The program will run the same hours as our current Toddler Program.

The Primary Program for 3-6 year olds will be a mixture of our PlayArts program with its emphasis on arts and crafts and a performance and our normal Primary Program we offer currently. This program will also be staffed by our current teachers. Please see the fee schedule for times and fees.

We have created these programs from the feedback we have received from our parents over the last few years. They were created to give our parents options for their specific needs for summer care. As such, please do not hesitate to speak with us if you have concerns or needs that are not being met by these programs.
